Quick references

There is a 'FAQ' section in the site where you can read more about the services.

FAQ:

Bray Parks SS appears on the top left corner of my invoice:

This is because SSO is based out of BPSS, your child will still be associated with the school you registered them with.

I can't log in:

Click on the "Lost Password?" button and check your nominated email. Look in your junk or clutter folder if your "new password" email is not in your inbox.

I don't want to pay any surcharges:

eWallet does not occur any charges but can take up to 48 hours to process. It is like an online debit account.

I can't find my child's name in the drop child' down menu:

From the main menu select "my account" and go to "add/edit student"

I can't find the link to my child's sport:

Make sure you are on the correct SSO site. All district trials will be on the Pine Rivers District site, and all 13-19yr Regional Trials will be on the Met North SSO website. You will be required to sign up and register your child for the Met North website as it is a separate site.

I don't have access to the internet or a Credit Card:

Please go to your associated school where the office staff will be able to help you.

Can't I just bring cash on the day:

Sorry but we are not allowed to accept any cash.
